- The above data submitted by candidate is verified against the candidate's detail provided by NBE/AIIMS. If it matches, then, Candidate would be allowed access for updation of the candidate's profile along with selection of individual password. In case of any mismatch, the candidate would not be allowed to access the counseling website. **In case of genuine candidates, who could not register for the counseling, the candidates could approach personally, to nearby Help Centres (Participating Medical/Dental College) or MCC Control Room for recovery of the correct information on production of individual identity and other credentials.**

- After successful registration, the candidate would be shown the credentials as available in the database provided by NBE/AIIMS. The candidate would be allowed to enter data as per the following criteria in case they are not correct:
 - In case of PH candidates, the candidate is required to select respective PH type, viz., PH1 or PH2
 - Any change in the candidate's name, gender and date of birth are not permitted.
 - Candidate is required to enter their Mother's and Father's name.
 - Candidate is required to choose security Question and give its Answer for recovery of password in case forgotten.
 - Candidate is required to enter his/her password. Next time, the candidate can login directly with **Roll number/Confirmation No** as Login Id and the chosen password as Password.
 - Candidate are required to update their complete mailing address along with pin code, phone number including STD, mobile and email etc.
 - On clicking the 'submit' button, the candidate would be shown the data entered for verification and for confirmation. Once this personal data is **Verified** and **Confirmed**, the candidate is not allowed to change.

8. Processing of Indicative Seat Allotment (Mock Counseling) Result and publishing of Indicative Seat Allotment

During **Indicative Seat Allotment (Mock Counseling) Result**, choices submitted by the candidates will be processed twice on notified dates during the Registration and Choice Filling period (of 1st round only) and indicative seat that is likely available at that point of time would be displayed. This indication helps the candidate to refine the selection of choices in a more effective and efficient manner.

9. Choice Locking & Printing of locked choices

Locking of choices is mandatory for the processing of choices submitted by the candidate. After completion of the choice submission to ones satisfaction candidate can lock his/her choices. By clicking the Choice Lock Button and confirming the same, the choices could be locked. **Choices once locked can't be unlocked.** Therefore the candidates are advised to exercise choice carefully, as the choices above the allotted choice will be processed in second round. In case candidate fails to lock choices, choices filled in by the candidate will be automatically locked at 5:00 PM of last date of locking.

The detailed procedure is described below:

- On clicking the **"Lock Choice"** button, the submitted choices will be displayed on the screen along with all restrictions, on the choices selected, if applicable.
- Candidate is required to confirm the displayed contents before locking of choices.
- During locking process, the candidate is required to enter the password and then only system proceeds for locking of choices.
