

Ref. U-12021/32/2019-MEC

Dated: 21-09-2019

## **NOTICE**

### **Kind Attention: Participating Institutes/Colleges of Super Speciality Counselling 2019 for D.M. /M.Ch./ DNB courses**

It has been noticed by MCC of DGHS that during conduction of Super Speciality Counselling 2019 for D.M. /M.Ch./ DNB courses, some of the Institutes/Colleges did not report some admissions of the allotted candidate/s through Online mode on intramcc portal within the stipulated time prescribed by MCC. This led to lot of confusion and disarray before Result Processing, due to which seat matrix had to be updated time and again, resulting in doubts and ambiguity in candidates. In addition to this, some Institutes/Colleges were kept closed on 15th September, 2019 despite knowing the fact that it was the last date of Reporting for Stray Vacancy Round, as per the directions of Hon'ble Supreme Court of India.

Please note, MCC has reported/admitted such candidates proactively this time through 'Technical Joining' keeping a sympathetic view for the benefit of the candidates. Also, leniency has been shown against defaulting colleges as this was the first time of online admission process for DNB institutes. In future, no more concession of any sort will be given by MCC. Colleges/Institutes are also advised not to take this as precedence, as next time onwards MCC will not be in position to perform technical joining of such cases and Colleges/Institutes will have to deal with the adverse situation/litigation/legal action arising due to such matters at their own level.
